

Our Wish List

Donating supplies helps, too!

Pet supplies and other items can make a direct difference in the lives of homeless pets! Listed below are common items to help make their temporary stay with HSSA more comfortable. Sometimes we can take used items, and sometimes they need to be new. Some items will be supplied to needy families in our community who are struggling to provide for their pets, some items may be used for our foster pets and some items will be used for pets at our main campus. All these items can be dropped off at our Main Campus located at **635 West Roger Road**.
